

Cheap Heating for those winter chills!

**A LANAIR Waste Oil Workshop
Heater Is The Answer.
CLEAN, SAFE WARMTH FOR YOUR
WORKPLACE FROM WASTE OIL!**

Just turn on the switch,
no need to pre-ignite.

Increase work
productivity and
morale by
installing heating
with virtually no
running costs.

**HEAT WITH WASTE OIL YOU HAVE ON HAND OR
YOU CAN EASILY OBTAIN AND SAVE \$\$\$\$.**
